12. Disciplinary Matters

12.1 Disciplinary procedures will be followed if a member or guest breaches the DRFC Code of Conduct. Each procedure will consider the actions of a single individual.

12.2 There are several ways in which the Club Manager and Executive Committee may discover whether the DRFC Code of Conduct has been breached by an individual;

- 1 A member of the Executive Committee has witnessed the infraction and reported it to the Club Manager
- 2 A member of DRFC staff has witnessed the infraction and reported it to the Club Manager.
- 3 A member of DRFC has written a formal letter of complaint to the Club Manager
- 4 The infraction has been captured on the CCTV system and viewed by the Club Manager

12.3 The Executive Committee/Club Manager is unable to act on a complaint by a member unless a letter or e mail is formally written within 7 days of the incident, describing the infraction and naming the individual(s) responsible. Members may ask Executive Committee members to help identify an individual. Verbal complaints by members will not be considered.

12.4 If the DRFC Code of Conduct has been suspected of being breached by an individual at, or whilst representing, DRFC then the Secretary, on behalf of the Executive Committee, will decide on whether the alleged infringement was major or minor, alongside 2 other Executive Committee members. These members will form the initial Disciplinary Committee (see section 13.2). The Committee will contact the member by e-mail citing the alleged infringement and sanction decided upon within 2 weeks of the infringement.

12.5 The individual involved may respond to the Disciplinary Committee by providing a statement pertaining to the infraction in writing through the Secretary; this letter will be considered by the Disciplinary Committee.

12.6 The Disciplinary Committee will consider the nature of the complaint and the individual's response, to determine whether additional evidence is necessary and shall request or admit additional evidence as deemed appropriate. A meeting maybe scheduled to allow for evidence collection.

12.9 If proven that an action is deemed to have breached the DRFC Code of Conduct then the Disciplinary Committee will either uphold or amend their decision made. The person concerned shall be notified in writing by letter or e mail of the Disciplinary Committee's decision by the Committee.

12.10 At the expiry of any disciplinary sanction the Executive Committee may review the situation and either extend the sanction or lift it. Should any sanction be extended, then the person shall be notified in writing of its continuance. Should any sanction be lifted then the person shall be notified in writing that they will again be allowed to use DRFC facilities, but that their behaviour and conduct will be kept under review.

12.11 An individual's QRF and DRFC disciplinary record will remain active for 2 years and may be used when considering future disciplinary matters.

13. Sanctions

13.1 The recommendations of this section are to be construed as guidelines only, not as invariable rules. The Disciplinary Committee will make the final decision on the appropriate sanction for each individual case.

13.2 Infringements will be categorised as major or minor and social or playing by the Disciplinary Committee. When a member has committed the following infringements, the sanctions shall be within the range set forth below;

Playing Infringements

The Disciplinary Committee will consider whether the offence has been dealt adequately by the referee, citing commission or a QRF Disciplinary Committee. The DRFC Disciplinary Committee may take interim or immediate action should the committee deem it fit to do so. Ultimately the committee will be guided by actions of the QRF.

Social Infringements

- Minor Infringements;
 - First offense: Warning letter and a 0-2 week suspension from club premises which may also include a playing ban should the Disciplinary Committee deem it applicable.
 - Second offense: Second warning letter and 1-4 weeks suspension from club premises which may also include a playing ban should the Disciplinary Committee deem it applicable.
 - Third offense: Third warning letter and 2-6 weeks suspension from club premises which may also include a playing ban should the Disciplinary Committee deem it applicable.
 - Any subsequent minor offenses shall be deemed as a major infringement.
- Major Infringements;
 - First offense: Warning letter and 1-3 month suspension from club premises which may also include a playing ban should the Disciplinary Committee deem it applicable.
 - Second offense: Second warning letter and a 2-6 month suspension from club premises which may also include a playing ban should the Disciplinary Committee deem it applicable.
 - Third offense: Third warning letter and a 3-12 month suspension from club premises which may also include a playing ban should the Disciplinary Committee deem it applicable.
 - Any subsequent major offenses: Indefinite or life suspension from club premises which may also include a playing ban should the Disciplinary Committee deem it applicable.

13.3 In the case of an indefinite or life ban the ban must be ratified by the complete Executive Committee.

13.4 The Executive Committee reserves the right to skip steps within the range above for the following reasons;

- An individual has also undertaken QRF or DRFC disciplinary procedures in the last 2 years.
- The nature of the infringement deserves a stronger sanction.
- The nature of the infringement is strongly detrimental to Islamic laws.

14. Appeals Procedure

14.1 An individual is able to appeal in writing against the findings or the sanctions of the Disciplinary Committee.

14.2 All appeals should be made in writing by letter or e mail to the Executive Committee within 48 hours of receiving the letter of notification from the Disciplinary Committee.

- If appealing against the findings, the appeal letter should contain additional evidence not previously considered by the Disciplinary Committee that may raise doubt as to the reliability of the original findings.
- If appealing against the sanction, the appeal letter should contain a statement from the individual concerned that may raise doubt as to the reliability of the original sanction.

14.3 In an appeal, the proceedings, findings and decisions of the Disciplinary Committee shall not be invalidated by reason of any minor defect, irregularity, omission or technicality unless they raise doubt of their reliability.

14.4 Upon receipt of the written appeal an Appeals Committee will be formulated consisting of 6 Executive Committee members, one of whom remains as the non-voting Secretary from the Disciplinary Committee and one of whom shall be the Chairman of DRFC or a substitute designated by the Executive Committee.

14.5 An Appeals Committee meeting will be scheduled within 2 weeks of receiving the appeal. The Appeals Committee will consider the appeal and decide whether to uphold or change the findings and/or sanctions.

14.6 The appellant may attend the Appeals Committee meeting to provide an appeal statement pertaining to the findings or sanctions of the Disciplinary Committee. If the appellant does not attend, the meeting will be held in their absence. The appellant will be notified in writing by letter or e mail of the Appeals Committee decision.

14.7 The decisions of the Appeals Committee are final. An individual has the right to appeal against a single disciplinary action once only.
